**BEFORE THE
PUBLIC SERVICE COMMISSION
OF SOUTH CAROLINA**

Docket No.: 2007-135-WS

IN THE MATTER OF:

Wyboo Plantation Utilities, Inc.'s
Application for Extension of Service Area

**ORDER APPROVING WYBOO
PLANTATION UTILITIES, INC.'S
SERVICE AREA**

This matter comes before the Public Service Commission of South Carolina ("Commission") on the Application filed by Wyboo Plantation Utilities, Inc. ("Wyboo") seeking approval for its authorized service territory and enabling Wyboo to provide water and sewer service to the proposed portions of Sumter and Clarendon Counties, South Carolina ("Proposed Service Area"). Wyboo's Amended Application was filed pursuant to 26 S.C. Code Ann. Regs. 103-704, 103-743, 103-504 and 103-541 (2007) (Amended by State Register Volume 31, Issue No. 5, effective May 25, 2007).

Pursuant to the instructions of the Commission, Wyboo published a Notice of Filing one time in newspapers of general circulation, and notified all affected customers. Proof of publication was provided by Wyboo. No Petitions to Intervene were filed. The Office of Regulatory Staff submitted a letter to the Commission. The Commission scheduled this matter for a Hearing. Wyboo moved to cancel the Hearing requesting expedited review of the Amended Application. The Commission granted Wyboo's Motion. The Commission hereby grants the Application as filed, pursuant to the reasoning stated below.

Wyboo is a corporation organized and existing under the laws of the State of South Carolina and authorized to do business in the State of South Carolina.

Wyboo is a public utility, as defined by S.C. Code Ann. § 58-5-10(3) (Supp. 2003), providing water and sewer service to the public for compensation pursuant to rates approved by the Commission in Docket No. 96-277-W for water service, and Docket No. 97-391-S for sewer service.

Wyboo's service area includes portions of Sumter and Clarendon Counties. In Docket No. 96-227-W and Docket No. 97-391-S, the Commission established the service areas for the Petitioner in Clarendon County.

Wyboo's customers are in and around the Wyboo Plantation subdivision in Clarendon County, the Cedar Hill Mobile Home Park, and the Grenada Mobile Home Park of Sumter County.

Wyboo submitted its Application pursuant to 26 S.C. Code Ann. Regs. 103-504 and 103-541 (2007) (Amended by State Register Volume 31, Issue No. 5, effective May 25, 2007). 26 S.C. Code Ann. Regs. 103-504 provides that "...this regulation shall not be construed to require any existing utility to secure a certificate for an extension within or to territory already served by it, in the necessary course of business."

Wyboo submitted its Application pursuant to 26 S.C. Code Ann. Regs. 103-704 and 103-743 (2007) (Amended by State Register Volume 31, Issue No. 5, effective May 25, 2007). 26 S.C. Code Ann. Regs. 103-704 provides that "...this regulation shall not be construed to require any existing water utility to secure a certificate for an extension within or to territory already served by it, in the necessary course of business."

Exhibit 1 to the Amended Application lists the service areas now included in Wyboo's service territory. Wyboo currently serves in and around these areas of extension. **Exhibit 2** to the Amended Application shows the new service territory for Wyboo.

Existing customers of Wyboo will not be adversely affected by the expansion of the Company's service area.

Wyboo's Amended Application is in the public's interest.

Therefore, the Commission orders Wyboo's Service Area to include all areas marked on **Exhibit 2** of the Amended Application.

This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

Chairman
